

## Information for WRDA WSSCC Competitors in the Pembrey Autumn Sprint Races

As we are sharing the weekend with the BARC Wales Autumn Sprint event we need to fit in with their timetable.

You will see on the timetable below that lunchtime on Saturday is scheduled for 1.00 pm but if the Sprint timed runs get completed quickly it could move back to as early as 12.30. All WSSCC competitors need to cross the track in the lunch break as it is very disruptive to the running of the Sprint if they have to stop runs to allow people to cross. So they don't!

**To make sure it all runs smoothly it is important that all competitors arrive by 12.30 pm on the Saturday ready to cross the track as soon as the lunch break is called.**

If you have taken part in the Trackday on Friday there is no problem, just park up in the WRDA section next to the assembly area afterwards and leave the car there overnight.

### Scrutineering

Scrutineering will take place in the paddock, where you are parked, on Saturday afternoon.

### Online Notice Board

BARC have set up an online notice board for updates and result postings from the weekend. So far, our CoC Andrew Harrison has put the driver's briefing notes up on that. [https://www.barc.net/online\\_noticeboard/2025-pembrey-september-6-7/](https://www.barc.net/online_noticeboard/2025-pembrey-september-6-7/)
