Dear Mr Allender,

Thank you for your letter dated 8th February regarding Pembrey Racing Circuit.

We do not feel we can say anything until a licence is granted but naturally we would like to involve Welsh drivers and clubs as much as possible and it is our intention to revive our Welsh Centre which you may remember ran Pontypool Hill Climb and raced at Llandow.

I will contact you once I am in a better position.

Yours sincerely,

SIDNEY L OFFORD
Executive Director
