Dear Mr Allender

Further to your letter of 11 October, I am pleased to say that Llanelli Borough Council is very interested in seeing a development take place at the old Pembray Aerodrome. There are still in existence runways, taxiing areas and aprons and for modest sums of money I am sure a very interesting motor sports circuit could be developed.

The Council is prepared to help in development but it is very limited on funds because it has purchased large areas of land in the Pembray area. However, if you still think that you can attract financial backers to develop a motor circuit, would you please let me know and we can arrange a meeting with Llanelli Borough Council Planning Officer, Mr Clive Davies.

I look forward to hearing from you.

Yours sincerely

H Thomas
